### **Northern Lehigh Multi-Municipal Comprehensive Plan - REVIEW**

Brian Carl reviewed the draft of the plan.

Diane Matthews-Gehring stated that the preserved farms mapping is incorrect. She would like to see larger maps and if the plan is digital would you be able to have the ability to zoom into a parcel.

Stephen McGlynn stated that he would like to see mapping where the public utilities are in the township. Also to make sure the key to the maps are correct.

Diane Matthews-Gehring also stated that some of pictures in the plan should be labeled as to what/where they are located.

Brian said he would bring this feedback to the committee.

Brian stated that once the plan is adopted each municipality has (2) years to update their zoning to coincide with the comprehensive plan.

Discussion was held regarding AirB&B. The Board reviewed sample ordinances from neighboring municipalities. It was suggested that Brian put together a list of how this would negatively impact our Township with this type of activity so that they could better understand the effects these might have.

With no further business on the agenda Daniel Snyder made a motion, seconded by Michael Levitsky to adjourn the meeting at 8:29 pm. Motion carried.

Respectfully submitted,

Janet L. Henritzy, Recording Secretary
